Christmas Vodka

Festive spiced cranberry and orange vodka

Makes 70cl.

200g cranberries
Zest of 1 orange – use a vegetable peeler to obtain wide strips
1” cinnamon stick
2 cloves
2 segments of a star anise
4oz sugar

About 450ml vodka.

Place the solid ingredients into a clear bottle and top up with vodka. Shake daily until the sugar is dissolved.

Leave for a good few weeks before drinking, the longer the better as the drink will become smoother with time.

Enjoy!
